Events to Remember: Cap BOB

Thank you for taking some of my fear of water (away). You have been very sensitive to our needs. Your variety of dinners with the touch

Places to Remember: of candles every night added a lot to the ambience.

Fashion shows every day, your laughs made us feel at home.

Frankie DINO and Joe Pesci wonderful to talk about.

Comments: Sorry Boca chita did not work for us. I think that the

wheel chair lady did not like us and she turned into many mosquitos the evening we came to see her, so she chased us

Port of Departure: Timbus Date _____

Time of Departure: April 20th, 2007

Port of Arrival: Denix Beach Date _____

Actual Time of Arrival: _____

Guests Aboard David & Anita Lenexa, KS

Great introductory course to cruising. Captains Bob took a daunting subject and made it simple. We took forward to checking a few boats on our own before taking the big plunge into boat ownership.

Weather Conditions: 2 perfect calm days, 2 moderately windy days - Sunshine all the way

Barometer: _____ Wave Height: _____ Wind: _____ speed _____ direction _____

Events to Remember: We'll never forget Timbus. Can't describe it. You gotta go there yourself. First day of cruising we managed to get the chart plotter down and were rewarded with beautiful Boca Chico. David always will wear King of 2 Pilot House.

Places to Remember: Albin truck, California Seaside. Met the owners of the Queen and they spent us a hour. Hopped around from one anchorage to the next the following day. Got a glimpse at how the other half lives and anchored for the night in Marina.

Comments: Stadium for what maybe the last time. No trespassing signs posted for the first time. Too bad. Incredible night time view of the Miami skyline! Final day cruising up the Intracoastal w/ a working on names for our dream boat. "Wet Dream" "Sea Spray" "East of the Rainbow" "Scarlett Lady" We'll let Bob know who we decide.

CRUISING

Destination: Boca Chita
